

Diversity Matrix for Varieties of SUNY-ESF Shrub Willow

Diversity Group 1	Diversity Group 2	Diversity Group 3	Diversity Group 4	Diversity Group 5	Diversity Group 6	Diversity Group 7	Diversity Group 8	Diversity Group 9
SV1	SX61	S365	S25	SX64	Fish Creek	Sherburne	Tully Champion	Oneida
				SX67	Onondaga	Canastota	Owasco	Millbrook
					Allegany		Otisco	

Each Diversity Group represents a different species or species hybrid. Planting varieties from different Diversity Groups in the same field will increase overall diversity and reduce the losses associated with a pest or disease infestation.
